

## **FISCAL NOTE**

### **SB 1217 - HB 1373**

February 19, 2007

**SUMMARY OF BILL:** Requires each voting machine to have the capability of producing a hard copy of the voting totals or have a documented method in place capable of retrieving voting totals stored in the machine and producing a hard copy of such voting totals by the November 2008 election.

#### **ESTIMATED FISCAL IMPACT:**

##### **MINIMAL**

Assumptions:

- The "Help America Vote Act" required all voting systems to produce a permanent paper record with a manual audit capacity.
- All current voting systems have this feature and can produce a hard copy of the vote totals and retrieve the vote totals stored in the machine.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".
